What is Hullabaloo U?
Hullabaloo U is a semester-long, 0 credit hour first-year experience course designed to create a welcoming and affirming environment for each new student. Hullabaloo U equips first-year students with the skills and resources to achieve their academic and personal goals, take advantage of campus resources, develop community and a sense of belonging, and contribute to our diverse and inclusive Aggie community. A Hullabaloo U Instructor is a Texas A&M University employee who is committed to first-year student success and persistence. Instructors serve as educators, resources, and representatives of TAMU.

Benefits of Teaching Hullabaloo U
• **$500 bursary stipend per semester** to use for professional development, etc.
• **Have an impact and connect with Texas A&M students.** Hullabaloo U instructors serve as a touchpoint for their students every week throughout their first semester, and strive to equip them for success for the rest of their time at Texas A&M. They are an integral part of their transition to college.
• **Connection to the student experience.** Connecting to real first year students and hearing their common concerns can help put their role as an administrator/practitioner in perspective.
• **Expanded network of faculty and staff.** With 350+ instructors from various campus offices and departments, instructors have the opportunity to develop a greater connection to the TAMU community.
• **Professional development opportunities.** Instructors have the opportunity to engage with various learning strategies, become more familiar with transitional needs of first-year students, and learn things they can apply to their other responsibilities.
