Tips and Tricks

- Practice
- Utilize the student view feature
- Find your resources - lots of training opportunities available
- Utilize multiple modes of communication until you have shown students how to turn on notifications
- Make Canvas work for you
- Keep it updated

Peer Mentors

- August 2 - FYEX 101 Peer mentors will be added to sections in a TA role (will have access to view and edit content, features, tools, and/or grades.)
- If you teach another HU course that is not FYEX 101, your course administrator should add PMs to your course (via SWASECT in Compass or ORCA)
- ISA and FERPA training audit
